Andrew Menter

Andrew Menter is President and Chief Executive Officer of Highland Campus Health Group. Menter has wide-ranging experience in all facets of corporate finance, capital formation, mergers and acquisitions, negotiations, business development, corporate governance and legal affairs. His Wall Street experience includes tenures at both J.P. Morgan Chase & Co, specializing in mergers and acquisitions, and an international European-based firm specializing in fixed-income products. He earned a B.A. from Brown University and his Juris Doctor and Masters in Business Administration (Concentration in Finance) from The University of Houston.
