SCHOOL SAFETY MANDATES

- California Constitution's Article I, Section 28 c

All students and staff have the inalienable right to attend schools that are safe, secure and peaceful.

- California Education Code, Section 35254

All K-12 public schools are mandated to establish Comprehensive School Safety Plans

- California Government Code, Section 8607

All school crisis response plans are required to integrate the Standardized Emergency Management System (SEMS / NIMS)

- California Student Safety and Violence Prevention Act of 2000

All K-12 public schools are required to establish initiatives to prevent hate motivated behaviors among students and staff on or around the school grounds.

LESSONS LEARNED

- Establish Multi-Agency Safe Schools Coalition

COEs need to lead and share ownership, responsibility and accountability with school, community and law enforcement stakeholders.

- Develop a realistic Countywide Master Plan On School Safety
- Mandate Safe Schools Planning training for all School Safety Teams and provide related support services
- Train School Safety Teams in TABS, teaching alternative behaviors schoolwide, which addresses effective classroom management and student discipline
- COEs must lead, coordinate, monitor and evaluate school safety services.
- To address America's war on terror, COEs must work with local Terrorism Early Warning groups and share intelligence in a timely and secure manner.
- Identify and replicate effective research-based initiatives, such as those in character education and conflict management
- Provide specialized counseling and case management services for selected students and their families
- Engage students and their families in leadership development, after-school recreation and cultural activities
- Provide career and employment services for students and their families
- Design specialized programs to address urgent challenges, such as those posed by street gangs
- Foster positive relationships between students and police officers
- Establish process and outcome evaluation measures

RECOMMENDATIONS

- Modify funding streams and formulas.
Focus on helping high risk and at risk students attending local schools
- Require Master Plan On School Safety.
- Increase funding provided to County Offices of Education (COE).
- Direct COEs to lead, coordinate, monitor and evaluate school safety services.
- To address America's war on terror, require COEs to work with local Terrorism Early Warning groups and share intelligence in a timely and secure manner.
- Direct COEs to lead work of Safe Schools and Healthy Students grants.
- Direct COEs to lead work of the Emergency Response and Crisis Management grants.
- Revive the Community Service Grant Program and direct COEs to lead in addressing related work. This is an alternative to suspension / accountability program.
- Establish new funding stream for the development of gang prevention and intervention programs.
- Establish stronger accountability systems.
