

RESOLUTION AGREEMENT
North Syracuse Central School District
OCR Case No. 02-13-1231

In order to resolve Case No. 02-13-1231, the North Syracuse Central School District (the District) assures the U.S. Department of Education, New York Office for Civil Rights (OCR), that it will take the actions detailed below pursuant to the requirements of Section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 794, and its implementing regulation at 34 C.F.R. Part 104 (Section 504); and Title II of the Americans with Disabilities Act of 1990 (ADA), 42 U.S.C. § 12131, et seq., and its implementing regulation at 28 C.F.R. Part 35.

Action Item:

By February 15, 2014, the District will convene a meeting of a group of persons knowledgeable about the Student, including the Student's parent(s), to determine whether the Student requires any remedial and/or compensatory services, or whether any grade changes are necessary, because the following related aids and services were not provided in the Student's math class consistent with the Student's Section 504 plan during school year 2012-2013: (a) skeletal notes; (b) an alternate location and time and a half for tests and quizzes; (c) parent and teacher email communication regarding the Student's progress and any issues when necessary; and, (d) use of an alternate mode of response for class assignments when the Student's writing was illegible.

If the District determines that remedial and/or compensatory services are necessary, the District will develop a plan for providing those services with a completion date for providing the services not to extend beyond June 30, 2014.

If the Committee determines that grade changes are necessary, these changes will be made by February 28, 2014.

Reporting Requirements:

- a) By March 1, 2014 the District will submit to OCR a copy of the meeting minutes or similar documentation from the meeting referred to in the Action Item above; including an explanation for decisions made, and a description of and schedule for providing remedial and/or compensatory services, if any, to the Student. Additionally, the District will provide documentation demonstrating that the District made the appropriate grade changes if determined necessary.
- b) By July 1, 2014, the District will provide documentation to OCR demonstrating that it has provided the Student with any remedial and/or compensatory services deemed necessary. The documentation will include the dates, times, and locations that services were provided, and the name(s) of the service provider(s).

The District understands that OCR will not close the monitoring of this agreement until OCR determines that the District has fulfilled the terms of this agreement and is in compliance with the regulations implementing Section 504, at 34 C.F.R. § 104.33, and the ADA, at 28 C.F.R. § 35.130(a) and (b)(1)(iii), which were at issue in this case. The District also understands that by signing this agreement, it agrees to

provide data and other information in a timely manner. Further, the District understands that during the monitoring of this agreement, OCR may visit the District, interview staff and students, and request such additional reports or data as are necessary for OCR to determine whether the District has fulfilled the terms of this agreement and is in compliance with the regulations implementing Section 504, at 34 C.F.R. § 104.33, and the ADA, at 28 C.F.R. § 35.130(a) and (b)(1)(iii), which were at issue in this case. The District understands and acknowledges that OCR may initiate administrative enforcement or judicial proceedings to enforce the specific terms and obligations of this Agreement. Before initiating administrative enforcement (34 C.F.R. §§ 100.9, 100.10), or judicial proceedings to enforce this Agreement, OCR shall give the District written notice of the alleged breach and a minimum of sixty (60) calendar days to cure the alleged breach.
