Re: West Linn-Wilsonville School District 3J
OCR Reference No. 10101231

Dear Superintendent Rhoades:

The U.S. Department of Education, Office for Civil Rights (OCR), has completed its review of the additional information requested from West Linn-Wilsonville School District 3J (district) regarding the above-referenced complaint. As indicated in OCR's letter to you dated May 24, 2012, we requested the additional information based on our review of the information submitted by the complainant in support of an appeal from OCR's March 2, 2011, determination of a complaint of disability discrimination against the district.

OCR requested additional information regarding:

1. the provision of XXXXXX XXXXXXXX services to the student in question;
2. the provision of Scholastic book order forms at the school;
3. the location of music instruction for students in XXX program (now call the XXXXXXXXXXX) at XXXXX XXXXXXXX School; and
4. the provision of class supply lists on the school web site.

OCR is discontinuing its review of those aspects of the above-referenced discrimination complaint against the district based on the district's Resolution Agreement (agreement) to take the actions set forth in the enclosed agreement, which, when fully implemented, will resolve those issues.

OCR will monitor the implementation of the agreement and will close the complaint when OCR determines that the terms of the agreement have been satisfied. The first report under the agreement is due by March 17, 2014.

We appreciate the cooperation extended to OCR by the district's staff in resolving this complaint, in particular the district's XXXXX XXXXXX XXXXX and XXX predecessor. If you have any questions, please feel free to contact Timothy L. Sell, Attorney, by telephone at (206) 607-1639, or by e-mail at timothy.sell@ed.gov.

Sincerely,

Barbara Wery
Team Leader
