Accordingly, the District agrees to take the following actions:

**Action Steps**

**A. Individual Remedies**

1. By January 20, 2014, the District will convene a meeting of the Student's Section 504 team, to determine the compensatory education services necessary for the period of time from xxxxxxxx xx xxxxx through xxxxxxxxx xxx xxxxx. The Student's mother will be invited to participate and, if she is unable to attend, will be given a meaningful opportunity to provide input before any final decisions are made. The District will draft a written plan for the provision of the compensatory education services and provide the parent with notice of the decisions and of her right to challenge them through an impartial due process hearing should she disagree. The District will then provide the compensatory education services to the Student, at no cost to the Student's parent.

**REPORTING REQUIREMENTS:** By January 20, 2014, the District will provide OCR with documentation verifying its implementation of Item A.1 above, including copies of: the invitation to the meeting sent to the Student's parent; all documents considered and produced at the Section 504 team meeting, showing the date the Section 504 team met, the participants by name and title, the compensatory services agreed upon, and the plan for the provision of the compensatory services; and the notice issued to the Student's parent of the determinations made at the Section 504 meeting and her procedural safeguards. By December 15, 2014, the District will provide OCR with documentation verifying that it has provided the Student the compensatory education services determined necessary.

**B. Training for Middle School Staff**

By March 15, 2014, the District will provide training to the middle school staff on the general requirements of Section 504 and Title II concerning the identification, evaluation, and placement of students with disabilities, including the definition of disability under Section 504. The training will also cover the District's Section 504 policies and procedures for the identification, evaluation, and placement of students with disabilities.

REPORTING REQUIREMENT: By March 15, 2014, the District will submit to OCR information documenting the date(s) of the training(s), the identity and qualifications of each person delivering the training(s), and the name and job title of all persons who attended the training(s); and a copy of any presentation or other handouts used for the training.

**General Requirements**

The District understands that, by signing this Agreement, it agrees to provide data and other information in a timely manner. Further the District understands that during the monitoring of this Agreement OCR may visit the District, interview staff and students, and request such additional reports or data as are necessary for OCR to determine whether the District has fulfilled the terms of this Agreement and is in compliance with Section 504 and its implementing regulation at 34 C.F.R. §§ 104.33 and 104.35, which were at issue in this case.

The District understands that OCR will not close the monitoring of this Agreement until OCR determines that the District has fulfilled the terms of this Agreement and is in compliance with Section 504 and its implementing regulation at 34 C.F.R. §§ 104.33 and 104.35.

The District understands and acknowledges that OCR may initiate administrative enforcement or judicial proceedings to enforce the specific terms and obligations of this Agreement. Before initiating administrative enforcement (34 C.F.R. §§ 100.9, 100.10), or judicial proceedings to enforce this Agreement, OCR shall give the District written notice of the alleged breach and a minimum of sixty (60) calendar days to cure the alleged breach.
