

UTeach Student Statistics

Keys to UTeach success

- Master and mentor teachers as faculty & advisors
 - supply real life experience, guidance, and inspiration
- First two courses offered at no cost to students
 - We invite the whole freshman class to participate and we pay tuition for the first courses
- Early and continuing positive experience teaching in classrooms
 - **Field experiences with inspiring teachers create satisfaction and commitment and prepare students more effectively**
- Innovative new professional development courses combine content material and pedagogy
 - And are integrated with science and math courses
- Internships and scholarships
 - Internships provide financial help in an educational setting, augment student training, and maintain commitment
- 4-year program is more attractive than 5-6 yr option
- Mentoring of new Teachers is extremely important

Overview of the UTeach Program

CERTIFICATION

Pass TExES

Recommended for Certification

Portfolio Review #2

Students apply for Certification during Student Teaching.

Students may need to modify their portfolios, pursue additional coursework, or repeat the TExES

Students may not continue in the program or enroll in preservice courses.

APPRENTICESHIP

Student Teaching

requires an overall minimum 2.5 GPA

LEVEL 3

Project Based Instruction

No UTeach grades below C

LEVEL 2

Knowing & Learning
Classroom Interactions
Research Methods
Perspectives in Math/Science

LEVEL 1
UTeach Pays Tuition

STEP 1: Inquiry Approaches
STEP 2: Inquiry-Based Design

Portfolio Review #1

Rejected

Students have a period of time in which to take corrective actions; they may continue to take Level 1 courses.

C or better in Classroom Interactions

C or better

Entire freshman class invited to apply...

Undergrads can enter at any time in their college careers.

Post-baccalaureates apply for admission; program is individually tailored depending on skill level in classroom

Courses listed with boldface type have field components
