

Table 23: Distribution of Federal Pell Grant Recipients by Recipient's State of Legal Residence and Control of Institution

Table 23 presents the distribution of Federal Pell Grant recipients by the recipient's state of legal residence and control of institution attended in 1994-95.

Eight States and One Jurisdiction Account for More Than Half of Expenditures. In general, the larger a state's population, the larger the number of Federal Pell Grant recipients residing in that state. Eight large states and one jurisdiction account for 51.8 percent of Federal Pell Grant recipients, with more than 100,000 each. In descending order these are: California, New York, Texas, Florida, Puerto Rico, Illinois, Ohio, Pennsylvania, and Michigan. The same states account for 53.3 percent of total expenditures.

In contrast, one jurisdiction and six states had fewer than 10,000 recipients: in descending order, Nevada, Vermont, Wyoming, Hawaii, Delaware, District of Columbia, and Alaska. The students residing in these states represent 1.3 percent of all recipients and expenditures.
