

July 1, 2002

Honorable Jack McLaughlin  
Superintendent of Public Instruction  
Nevada Department of Education  
700 East 5<sup>th</sup> Street  
Carson City, Nevada 89701-5096

Dear Superintendent McLaughlin:

This is to inform you that we have received Nevada's Eligibility Document Submission for Federal Fiscal Year (FFY) 2002 under Part B of the Individuals with Disabilities Education Act (IDEA) submitted by Nevada to the Office of Special Education Programs (OSEP) on May 23, 2002 and June 3, 2002. Based on these documents and Nevada's eligibility documentation that OSEP fully approved about July 1, 2001, your grant awards are enclosed.

Please note that as part of your Eligibility Document Submission for FFY 2002, your State has made an assurance, under 34 CFR §80.11(c), that it will comply with all applicable Federal statutes and regulations in effect with respect to the periods for which it receives grant funding. Any changes made by the State, after OSEP approval, to information that is a part of a State's eligibility documentation, must meet the public participation requirements of the IDEA and must be approved by OSEP before implementation.

Enclosed are grant awards for funds currently available under the Department of Education FFY 2002 Appropriations Act for the Part B Section 611 (Grants to States) and Section 619 (Preschool Grants) programs. These funds are for use primarily in school year 2002-2003 and are available for obligation by States from July 1, 2002 through September 30, 2004.

The amount in your award for Section 619 represents the full amount of funds to which you are entitled. However, the amount shown in your award for the Section 611 program is only part of the total funds that will be awarded to you for FFY 2002. Of the \$7,528,533,000 appropriated for Section 611 in FFY 2002, \$2,456,533,000 is available for awards on July 1, 2002, and \$5,072,000,000 will be available on October 1, 2002.

The funding formula for the Section 611 program is the same as was implemented for FFY 2000. Subject to certain maximum and minimum funding requirements, State allocations are based on the amount that each State received from FFY 1999 funds, the general population in the age range for which each State ensures a free appropriate public education (FAPE) to all children with disabilities, and the number of children living in poverty in the age range for which each State ensures FAPE to all children with disabilities.

We appreciate your ongoing commitment to the provision of quality educational services to children with disabilities.

Sincerely,
