

U.S. Department of Education

Financial Disclosure Statement

To evaluate a hardship claim, ED compares the expenses you claim and support against averages spent for those expenses by families of the same size and income as yours. ED considers proven expenses as reasonable up to the amount of these averages. If you claim more for an expense than the average spent by families like yours, you must provide persuasive explanation why the amount you claim is necessary. These average amounts were determined by the IRS from different government studies. You can find the average expense amount that the Department uses at this IRS website: <http://www.irs.gov/individuals/article/0,,id=96543,00.html> then select "Administrative Wage Garnishment," and then click on "COLLECTION FINANCIAL STANDARDS."

Provide complete information about your family income, expenses, and assets.
