* Actual amounts received by LEAs will be smaller than shown here due to State-level adjustments to Federal Title I allocations. States adjust allocations, for example, to reflect LEA boundary changes or the creation of new LEAs, including charter school LEAs, that are not accounted for in the statutory calculations. States also are permitted to reserve, for administration, up to 1 percent of the allocations they would receive if \$14 billion were appropriated and generally must reserve 4 percent in fiscal year 2013 for school improvement activities. These adjustments will reduce the actual amounts available.
