**Legislative Citation**

*Higher Education Act of 1965 (HEA)*, as amended, Title IV, Part A, Subpart 2, Chapter 1, Sec. 402C; 20 *U.S.C.* 1070a-13

**Program Regulations**

*EDGAR*; 34 *CFR* 645

**Program Description**

The Upward Bound Math-Science program allows the U.S. Department of Education to fund specialized Upward Bound math and science centers. The program is designed to strengthen the math and science skills of participating students. The goal of the program is to help students recognize and develop their potential to excel in math and science and to encourage them to pursue postsecondary degrees in math and science.

**Types of Projects**

Program services include: summer programs with intensive math and science training; year-round counseling and advisement; exposure to university faculty members who do research in mathematics and the sciences; computer training; and participant-conducted scientific research under the guidance of faculty members or graduate students, who are serving as mentors.

**Education Level (by category)**

Middle School, Secondary

**Education Level (specifically)**

Grades 9–12

**Subject Index**

Disadvantaged, High-Risk Students, Low Income, Mathematics, Sciences, Secondary Education
