III. Analysis of Program Performance

The Cooperative Education program encouraged (1) the planning, establishing, operating, and expanding of cooperative education projects in higher education institutions; (2) projects demonstrating or determining the feasibility and value of innovative methods of cooperative education; (3) projects training persons to conduct cooperative education programs; and (4) research into methods of improving, developing, or evaluating cooperative education programs in institutions of higher education. Program appropriations ended in FY 1995; this is a close-out report on the program.
