

Proposed Language for 690.93(b)(1)(iv) (Submitted by Michale McComis)

In an attempt to make more clear the Secretary's expectation that Governor's will require that hours/credits earned in an eligible workforce program will be accepted at one or more other eligible institutions, it may be useful to add language to "ensure" such acceptance via "established" "agreements."

690.93(b)(1)(iv)

(iv) A written policy for institutions to establish that an eligible workforce program will guarantee ensure the award of academic credit towards a certificate or degree program upon a student's successful completion of the eligible workforce program and enrollment in such certificate or degree program, and that such credit will be accepted at one or more eligible institutions through established articulation agreements?transfer_of_credit. agreements?consortium.or.partnership.agreements?or.similar.arrangements;
