

Suggested Adjustment to this Morning's § 690.93(b) Revision Submitted by Zoe Ketterling

Below is Legal Aid's suggestion to the Department that Tamar raised at the end of the morning. Our rationale is that "such as" weakens the efficacy of the additions by making them merely a suggestion. "Similar arrangements" at the end of the phrase already provides flexibility beyond the four specific types of agreements named.

§ 690.93 Components determined by Governors

(b)(1)(iv) A written policy..., ~~such as~~ through established articulation agreements, transfer-of-credit agreements, consortium or partnership agreements, or similar arrangements
