

Suggested text from Tracy Ireland:

For the following, consider adding language that identifies the secretary as the one making the determination of ineligibility.

(c)(4) Effective on or after July 1, 2026, through a standard as described in paragraph (h) of this section, no payment shall be credited as a qualifying payment for any month subsequent to a determination "**by the Secretary**" that a qualifying employer engaged in activities that have a substantial illegal purpose, as described in this section.
