United States Department of Education
OFFICE OF ELEMENTARY AND SECONDARY EDUCATION
OFFICE OF MIGRANT EDUCATION

Dear Colleague:

Thank you for your interest in the High School Equivalency Program, administered by the Office of Elementary and Secondary Education of the U.S. Department of Education (Department). This document includes information for applicants seeking funding for new grant projects in Fiscal Year (FY) 2025 under the High School Equivalency Program (HEP), authorized under Title IV, Section 418A of the Higher Education Act (HEA) of 1965 as amended by section 408 of the Higher Education Opportunity Act (HEOA). The purpose of HEP is to help migrant and seasonal farmworkers and members of their immediate family: (1) obtain a high school equivalency diploma (HSED) that meets the guidelines for high school equivalency (HSE) established by the State in which the HEP project is conducted, and (2) to gain employment, enter into military service, or be placed in an institution of higher education (IHE) or other postsecondary education or training. For FY 2025, the Department expects to award approximately \$6,650,000 for new grants under this competition. We will award discretionary grants on a competitive basis for a project period of up to 60 months (five 12-month budget periods). Grants are expected to be awarded in May 2025.

Please take the time to review the applicable priorities, selection criteria, and all the application instructions. An application will not be evaluated for funding if the applicant does not comply with all the procedural rules that govern the submission of the application or the application does not contain the information required under the program (34 C.F.R. § 75.216(b) and (c)).

Please note that the Department will implement the changes included in the OMB final rule, *OMB Guidance for Federal Financial Assistance* (www.federalregister.gov/documents/2024/04/22/2024-07496/guidance-for-federal-financial-assistance), formerly called, *Office of Management and Budget Guidance for Grants and Agreements*, which amends [2 CFR part 200](#), on October 1, 2024. When preparing an application, grant applicants who anticipate a performance period start date on or after October 1, 2024, should follow the requirements in the updated [2 CFR part 200](#). For more information about these updated regulations please visit: <https://www2.ed.gov/policy/fund/guid/uniform-guidance/index.html>.

If you are new to or would like a refresher on applying to a grant at the Department, review our [Common Instructions for Applicants](#) to Department of Education Discretionary Grant Programs, published in the Federal Register on December 7, 2022 (87. FR 75045). To apply for this competition, use the government-wide website, <http://www.grants.gov>. We encourage you to familiarize yourself with Grants.gov and register or identify the individual who has access to your entity's registration within your entity. Lastly, we recommend that you submit your application early. To submit successfully, you must provide the **Unique Entity Identifier (UEI)** number on your application that was used when you, or someone in your entity, registered as an Authorized Organization Representative (AOR) on Grants.gov. This UEI number is typically the same number used when your organization registered with the **System for Award Management (SAM)** (www.SAM.gov). If you do not enter the same UEI number on your application as the UEI you registered with, Grants.gov will reject your application. Please see related instructions

within this application package.

Please visit our program website at <https://www.ed.gov/grants-and-programs/grants-special-populations/grants-migrant-students/high-school-equivalency-program> for further information.

The program website includes helpful information, frequently asked questions, dates of future webinars or workshops, and clarifications. If you have any technical questions about the program after reviewing the application package, please contact Dylan Hart-Medina by telephone at 202-987-1705 or via e-mail at Dylan.Hart-Medina@ed.gov

Sincerely,

Tara Ramsey

I. Program Background Information

Program Overview

The purpose of the High School Equivalency Program (HEP) is to help migrant and seasonal farmworkers and members of their immediate family: (1) obtain the equivalent of a secondary school diploma, and (2) subsequently to gain employment, enter into military service, or be placed in an institution of higher education (IHE) or other postsecondary education or training. These projects may include activities authorized under Title IV, Section 418A of the Higher Education Act (HEA) of 1965 as amended by section 408 of the Higher Education Opportunity Act (HEOA).

Application Requirements and Priorities

There are application requirements for this FY 2025 grant competition and any subsequent year in which awards are made from the list of unfunded applications from this competition. This grant competition includes a “Competitive Preference Priority” and two “Invitational Preference Priorities” that are not required to be met but may increase the likelihood of receiving an award.

HEP and CAMP regulations provide details on who is eligible to participate as a grantee (34 C.F.R. § 206.2) and on what must be included within each HEP or CAMP application (34 C.F.R. § 206.20). Please note that these requirements are not included in the generic selection criteria for the HEP and CAMP grant competitions. Therefore, it is the responsibility of the applicant to determine how to address these requirements in the application.

An Institution of Higher Education (IHE) or a private nonprofit organization may apply for a grant to operate a HEP or CAMP project. If a private nonprofit organization other than an IHE applies for a HEP or a CAMP grant, that agency must plan the project in cooperation with an IHE and must propose to operate the project, or in the case of a HEP grant, some aspects of the project, with the facilities of that IHE.

In applying for a grant, an applicant shall:

- (a) Follow the procedures and meet the requirements stated in subpart C of 34 C.F.R. part § 75 (Direct Grant Programs);
- (b) Submit a grant application that:
 - (1) Covers a period of five years unless extraordinary circumstances warrant a shorter period; and
 - (2) Includes an annual budget of not less than \$180,000;
- (c) Include a management plan that contains:
 - (1) Assurances that the staff has a demonstrated knowledge of and will be sensitive to the unique characteristics and needs of the migrant and seasonal farmworker population; and
 - (2) Provisions for:
 - (i) Staff inservice training;
 - (ii) Training and technical assistance;
 - (iii) Staff travel;
 - (iv) Student travel;
 - (v) Interagency coordination; and
 - (vi) Project evaluation; and

(d) Provide the following assurances:

- (1) The grantee will develop and implement a plan for identifying, informing, and recruiting eligible participants who are most in need of the academic and supporting services and financial assistance provided by the project.
- (2) The grantee will develop and implement a plan for identifying and using the resources of the participating IHE and the community to supplement and enhance the services provided by the project.

Additional information on the Application Requirements and Priorities are described in the application notice, which can be accessed via the Notice Inviting Applications (NIA) (<https://www.federalregister.gov/documents/2024/08/30/2024-19579/applications-for-new-awards-high-school-equivalency-program>) for this competition in the Federal Register.

Frequently Asked Questions

Current information on this program can be found at <https://www.ed.gov/grants-and-programs/grants-special-populations/grants-migrant-students/high-school-equivalency-program>. For updated answers to Frequently Asked Questions, please visit: <https://www.ed.gov/grants-and-programs/grants-special-populations/grants-migrant-students/high-school-equivalency-program#Applicant-Information>.

Applicant Guide

Applications are entered into the Grants.gov system; applications submitted via email will not be accepted. For more information, please read the Common Instructions for Applicants to Department of Education Discretionary Grant Programs, published in the Federal Register on December 7, 2022 (87 FR 75045), and available at [2022-26554.pdf \(govinfo.gov\)](#).

A completed application will include a program narrative. The program narrative is the section of the application that directly responds to the selection criteria. The program narrative should follow the order of the selection criteria. Applicants should describe, in detail, activities planned for each of the funding periods of the grant. The program office suggests that applicants limit the program narrative to 25 pages. Narrative attachments must be submitted as files in a read-only, flattened Portable Document Format (PDF) or as a Microsoft Word document. If applicants upload a different file type or submit a password-protected file, we will not review that material.

A panel of peer reviewers will evaluate each proposal. Reviewers will be asked to review applicant responses to each criterion and score each of their assigned proposals. Not responding to a specific criterion could negatively impact the score. The NIA (<https://www.federalregister.gov/documents/2024/08/30/2024-19579/applications-for-new-awards-high-school-equivalency-program>) for this competition provides the priorities, selection criteria, application requirements, program requirements, eligibility, and definitions.

Selection Criteria¹

The selection criteria for this competition are from 34 C.F.R. § 75.210. The maximum possible score for addressing all selection criteria is 100 points. The maximum possible score for addressing each selection criterion (indicated in parentheses below) is detailed in the NIA for this grant competition. Each criterion also includes the factors that reviewers will consider in determining the extent to which an applicant meets the criterion. The selection criteria for this competition can be found in the NIA for this grant competition.

- a) Need for Project (up to 10 points)
- b) Quality of Project Design (up to 24 points)
- c) Quality of Project Services (up to 24 points)
- d) Quality Project Personnel (up to 10 points)
- e) Adequacy of Resources (up to 12 points)
- f) Quality of the Project Evaluation (up to 20 points)

These definitions apply to the FY 2025 grant competition and any subsequent year in which we make awards from the list of unfunded applications from this competition.

Technical Assistance Workshop for Prospective Applicants

One technical assistance webinar for prospective applicants is scheduled. When possible, information from and recordings of the session will be posted on the program website. The date and time for the webinar will be posted on the HEP applicant website:

II. Application Submission Procedures

The deadline for submission of the High School Equivalency Program applications through Grants.gov is 11:59:59 PM EST on November 13, 2024.

Application Transmittal Instructions

You must submit your application through [Grants.gov](https://www.grants.gov) and follow the [Common Instructions](#) referenced earlier and which contains requirements and information on how to submit an application. Find additional training resources on navigating Grants.gov, including video tutorials, [here](#).

Browser Support

The latest versions of Microsoft Edge, Mozilla Firefox, Google Chrome, and Apple Safari are supported for use with Grants.gov. However, these web browsers undergo frequent changes and updates, so we recommend you have the latest version when using Grants.gov. Legacy versions of these web browsers may be functional, but you may experience issues. Grants.gov no longer provides support for Microsoft Internet Explorer 9 or below. For additional information or updates, please see the Grants.gov browser information in the [Applicant FAQs](#).

ATTENTION – Workspace, Adobe Forms and PDF Files

Grants.gov applicants can apply online using Workspace. Workspace is a shared, online environment where members of a grant team may simultaneously access and edit different web forms within an application. For each funding opportunity announcement (FOA), you can create individual instances of a workspace.

Below is an overview of applying on Grants.gov. For access to complete instructions on how to apply for opportunities, refer to: <https://www.grants.gov/applicants/workspace-overview>.

- 1) Create a Workspace: Creating a workspace allows you to complete it online and route it through your organization for review before submitting.
- 2) Complete a Workspace: Add participants to the workspace to work on the application together, complete all the required forms online or by downloading PDF versions, and check for errors before submission. The Workspace progress bar will display the state of your application process as you apply. As you apply using Workspace, you may click the blue question mark icon near the upper-right corner of each page to access context-sensitive help.
 - a. Adobe Reader: If you decide not to apply by filling out web forms you can download individual PDF forms in Workspace. The individual PDF forms can be downloaded and saved to your local device storage, network drive(s), or external drives, then accessed through Adobe Reader.

NOTE: Visit the Adobe Software Compatibility page on Grants.gov to download the appropriate version of the software at: <https://grants.gov/applicants/adobe-software-compatibility>.

- b. **Mandatory Fields in Forms:** In the forms, you will note fields marked with an asterisk and a different background color. These fields are mandatory fields that must be completed to successfully submit your application.
 - c. **Complete SF-424 Fields First:** The forms are designed to fill in common required fields across other forms, such as the applicant name, address, and Unique Entity Identifier (UEI) Number. Once it is completed, the information will transfer to the other forms.
- 3) **Submit a Workspace:** An application may be submitted through workspace by clicking the Sign and Submit button on the Manage Workspace page, under the Forms tab. Grants.gov recommends submitting your application package at least 24-48 hours prior to the close date to provide you with time to correct any potential technical issues that may disrupt the application submission.
 - 4) **Track a Workspace Submission:** After successfully submitting a workspace application, a Grants.gov Tracking Number (GRANTXXXXXXXX) is automatically assigned to the application. The number will be listed on the Confirmation page that is generated after submission. Using the tracking number, access the Track My Application page under the Applicants tab or the Details tab in the submitted workspace.

For additional training resources, including video tutorials, refer to <https://grants.gov/applicants/applicant-training>.

Helpful Reminders

- 1) **REGISTER EARLY** – Grants.gov registration involves many steps including registration on SAM (www.SAM.gov), which usually takes approximately 7 to 10 business days, but can take longer, depending on the completeness and accuracy of the data entered into the SAM database by an applicant. You may begin working on your application while completing the registration process, but you cannot submit an application until all of the registration steps are complete. Please note that once your SAM registration is active, it will take 24-48 hours for the information to be available in Grants.gov, and before you can submit an application through Grants.gov. For detailed information on the registration steps, please go to: <https://www.grants.gov/applicants/applicant-registration> [Note: Your organization will need to update its SAM registration annually.]

To register in www.SAM.gov, click on the “Get Started” link under the “Register Your Entity...” heading in SAM.gov. Grantees, and other entities wanting to do business with the U.S. Department of Education (e.g., entities applying for a grant), that are not already registered in SAM.gov must complete the “Register Entity” registration option and NOT the “Get a Unique Entity ID” option. The “Get a Unique Entity ID” option, which is not a full registration, is only available to entities for reporting purposes. Failing to complete the “Register Entity” option may result in loss of funding, loss of applicant eligibility, and/or delays in receiving a grant award. Information about SAM is available at www.SAM.gov. To

further assist you with registering in SAM or updating your existing SAM registration, see the [Quick Start Guide for Grant Registrations](#) and the Entity Registration Video at <https://sam.gov/content/entity-registration>.

- 2) **SUBMIT EARLY – We strongly recommend that you do not wait until the last day to submit your application. Grants.gov will put a date/time stamp on your application and then process it after it is fully uploaded.** The time it takes to upload an application will vary depending on a number of factors including the size of the application and the speed of your Internet connection, and the time it takes Grants.gov to process the application will vary as well. If Grants.gov rejects your application (see step three below), you will need to resubmit successfully to Grants.gov before 11:59:59 p.m. Eastern Time on the deadline date.

You must provide the UEI on your application that was used when you registered as an Authorized Organization Representative (AOR) on [Grants.gov](#). This UEI is assigned to your organization in SAM at the time your organization registers in SAM. If you do not enter the UEI assigned by SAM on your application, Grants.gov will reject your application.

- 3) **VERIFY SUBMISSION IS OK –** You will want to verify that Grants.gov received your application submission on time and that it was validated successfully. To see the date/time your application was received, login to [Grants.gov](#) and click on the Track My Application link. For a successful submission, the date/time received should be earlier than 11:59:59 p.m. Eastern Time, on the deadline date, AND the application status should be: Validated, Received by Agency, or Agency Tracking Number Assigned. Once the Department of Education receives your application from Grants.gov, an Agency Tracking Number (PR/award number) will be assigned to your application and will be available for viewing on Grants.gov's [Track My Application link](#).

If the date/time received is later than 11:59:59 p.m. Eastern Time, on the deadline date, your application is late. If your application has a status of "Received" it is still awaiting validation by Grants.gov. Once validation is complete, the status will either change to "Validated" or "Rejected with Errors." If the status is "Rejected with Errors," your application has not been received successfully. Some of the reasons Grants.gov may reject an application can be found on the Grants.gov site: <http://www.grants.gov/web/grants/applicants/encountering-error-messages.html>. For more detailed information on troubleshooting Adobe errors, you can review the Adobe Reader Software Tip Sheet at: <http://www.grants.gov/web/grants/applicants/adobe-software-compatibility.html>.

If you discover your application is late or has been rejected, please see the instructions below.

Note: You will receive a series of confirmations both online and via e-mail about the status of your application. Please do not rely solely on e-mail to confirm

whether your application has been received timely and validated successfully.

Submission Problems – What should you do?

If you have problems submitting to Grants.gov before the closing date, please contact Grants.gov Customer Support at 1-800-518-4726 or email at: support@grants.gov or access the Grants.gov Self-Service Knowledge Base web portal at: <https://grants.gov/support>.

Helpful Hints When Working with Grants.gov

Please go to <https://grants.gov/support> or access the Grants.gov user guide at: <https://www.grants.gov/help/html/help/index.htm#t=GetStarted%2FGetStarted.htm>. For additional tips related to submitting grant applications, please refer to the Grants.gov Applicant FAQs found at this Grants.gov link: <https://grants.gov/applicants/applicant-faqs>.

Slow Internet Connections

When using a slow internet connection, such as a dial-up connection, to upload and submit your application, it can take significantly longer than when you are connected to the Internet with a high-speed connection, e.g., cable modem/DSL/T1. While times will vary depending upon the size of your application, it can take a few minutes to a few hours to complete your grant submission using a dial up connection. Failure to fully upload an application by the deadline date and time will result in your application being marked late in the G5 system. **If you do not have access to a high-speed internet connection, you may want to consider following the instructions in the Federal Register notice to obtain an exception to the electronic submission requirement no later than 14 calendar days before the application deadline date** (see the Federal Register notice for detailed instructions and the [2022 Common Instructions](#)).

Attaching Files – Additional Tips

Please note the following tips related to attaching files to your application, especially the requirement that applicants **only include read-only, flattened .PDF files** or Microsoft Word documents in their application:

- Ensure that you attach **.PDF files only** or Microsoft Word files for any attachments to your application, and any PDFs must be in a **read-only, flattened format** (meaning any fillable documents must be saved and submitted as non-fillable PDF files). PDF files and Microsoft Word files are the only Department-approved file type accepted as detailed in the common instructions. Applicants must submit individual .PDF files only when attaching files to their applications. The Department will not accept any attachments that contain files within a file, such as PDF Portfolio files, or an interactive or fillable .PDF file. Any attachments uploaded that are file types other than .PDF files or Microsoft Word files, or are password protected files will not be read.
- Grants.gov cannot process an application that includes two or more files that have the same name within a grant submission. Therefore, each file uploaded to your application package should have a unique file name.
- When attaching files, applicants should follow the guidelines established by Grants.gov on the size and content of file names. Uploaded file names must be fewer than 50 characters, and, in general, applicants should not use any special characters. However, Grants.gov does allow for the following UTF-8 characters when naming your

attachments: A-Z, a-z, 0-9, underscore, hyphen, space, period, parenthesis, curly braces, square brackets, ampersand, tilde, exclamation point, comma, semi colon, apostrophe, at sign, number sign, dollar sign, percent sign, plus sign, and equal sign. Applications submitted that do not comply with the Grants.gov guidelines will be rejected at Grants.gov and not forwarded to the Department.

- Applicants should limit the size of their file attachments. Documents submitted that contain graphics and/or scanned material often greatly increase the size of the file attachments and can result in difficulties opening the files. For reference, the average discretionary grant application package with all attachments is less than 5 MB. Therefore, you may want to check the total size of your package before submission.

Please note, once you download an application from Grants.gov, you will be working offline and saving data on your computer. Please be sure to note where you are saving the Grants.gov file on your computer. You will need to logon to Grants.gov to upload and submit the application.

Name of Institution/Organization: Enter the name of the applicant in the space provided.

Personnel (line 1): Enter project personnel salaries and wages only. Include fees and expenses for consultants on line 6.

Fringe Benefits (line 2): The institution's normal fringe benefits contribution may be charged to the program. Leave this line blank if fringe benefits applicable to direct salaries and wages are treated as part of the indirect cost.

Travel (line 3): Indicate the travel costs of employees only. Include travel of persons such as consultants on line 6.

Equipment (line 4): Indicate the cost of tangible, non-expendable personal property that has a usefulness greater than one year and acquisition costs that are the lesser of the capitalization level established by the applicant entity for financial statement purposes or \$10,000 per article. Lower limits may be established to maintain consistency with the applicant's policy.

Supplies (line 5): Show all tangible, expendable personal property. Direct supplies and materials differ from equipment in that they are consumable, expendable, and of a relatively low unit cost. *Supplies purchased with grant funds should directly benefit the grant project and be necessary for achieving the goals of the project.*

INSTRUCTIONS FOR MEETING THE GENERAL EDUCATION PROVISIONS ACT (GEPA) SECTION 427 REQUIREMENTS

The U.S. Department of Education (Department) has updated its standard form, NOTICE TO ALL APPLICANTS: EQUITY FOR STUDENTS, EDUCATORS, AND OTHER PROGRAM BENEFICIARIES, used by applicants seeking Federal assistance under the Department's grant programs to address the General Education Provisions Act (GEPA) Section 427 (20 U.S.C. 1228a) requirements effective April 3, 2023.

GEPA Section 427 requires that applicants, based on the design of their proposed grant project, the participants, and community the project proposes to serve, and local circumstances, determine the extent to which identified barriers prevent equitable access to or participation in their federal grant projects.

The updated GEPA Section 427 form is electronically integrated into the Grants.gov system, and applicants are generally no longer required to upload a separate PDF document but will electronically complete and submit the form with the application package in Grants.gov.

- Applicants may identify any barriers that may impede equitable access and participation in the proposed project or activity, including, but not limited to, barriers based on economic disadvantage, gender, race, ethnicity, color, national origin, disability, age, language, migrant status, rural status, homeless status or housing insecurity, pregnancy, parenting, or caregiving status, and sexual orientation.
- Applicants are not required to have mission statements or policies that align with equity in order to submit an application.
- Applicants may have already included some or all this required information in the narrative sections of their applications or their State Plans. In responding to this requirement, for each question, applicants may provide a cross-reference to the section(s) and page number(s) in their applications or State Plans that includes the information responsive to that question on this form or may restate that information on this form
- Applicants must respond to each question using the associated text box. Each text box allows approximately 4000 characters; therefore, if copying and pasting into the text box from another document be sure to check that everything copied.
- Applicants should use the "check for errors" button before they save the form. Applicants will receive an error message if any response is missing and will not be able to submit the application due to the missing information.
- Applicants that have already undertaken steps to address barriers must still provide an explanation and/or description of the steps already taken in each text box, as appropriate, to satisfy the GEPA Section 427 requirement.
- Applicants that believe no barriers exist must still provide an explanation and/or description to each question to validate that perception, as appropriate, to satisfy the GEPA Section 427 requirement.

Form Training: Applicants may learn more about GEPA Section 427 and the form updates by participating in a 30-minute computer-based training titled, Ensuring Equitable Opportunities Under the GEPA Section 427, at [Grants Training and Management Resources Online Grants Training Courses](#).

Part 8: Intergovernmental Review of Federal Programs (Executive Order 12372)

This program falls under the rubric of Executive Order 12372 (Intergovernmental Review of Federal Programs) and the regulations in 34 C.F.R. Part 79. One of the objectives of the Executive order is to strengthen federalism--or the distribution of responsibility between localities, States, and the Federal government--by fostering intergovernmental partnerships. This idea includes supporting processes that State or local governments have devised for coordinating and reviewing proposed Federal financial grant applications.

The process for doing this requires grant applicants to contact State Single Points of Contact for information on how this works. Multi-state applicants should follow procedures specific to each state.

Further information about the State Single Point of Contact process and a list of names by State can be found at: [Intergovernmental Review \(SPOC List\) \(whitehouse.gov\)](#).

Absent specific State review programs, applicants may submit comments directly to the Department. All recommendations and comments must be mailed or hand-delivered by the date indicated in the actual application notice to the following address: The Secretary, EO 12372--ALN# [commenter must insert number--including suffix letter, if any], U.S. Department of Education, room 7E200. 400 Maryland Avenue, SW., Washington, DC 20202.

Proof of mailing will be determined on the same basis as applications (see 34 C.F.R. § 75.102). Recommendations or comments may be hand-delivered until 4:30 p.m. (Eastern Time) on the closing date indicated in this notice.

Important note: The above address is not the same address as the one to which the applicant submits its completed applications. **Do not send applications to the above address.**

IV. Reporting and Accountability

Successful Applicants with multi-year grants must submit an **annual performance report** (APR) demonstrating their progress in meeting approved project objectives. Grantees must also provide the most current financial and performance measure data for each year of the project.

At the end of the project period, applicants will also be required to submit a **final performance report (FPR)**.

Performance Measures

For the purposes of Department reporting under 34 C.F.R. § 75.110, the Department has established the following performance measures for the High School Equivalency Program. The performance measures can be found in the NIA (<https://www.federalregister.gov/documents/2024/08/30/2024-19579/applications-for-new-awards-high-school-equivalency-program>) for this program.

- 1) For Performance Measure 1, the target is 69 percent for FY 2025.
- 2) For Performance Measure 2, the target is 80 percent for FY 2025.
