### **Deadlines and Announcements**

**ARP ESSER and ARP EANS Obligation Deadline and Liquidation Extension Reminder:** Grantees are reminded that all ARP ESSER and ARP EANS funds, including reverted ARP EANS funds, must be obligated by **9/30/24**. While the Department has communicated Tydings waiver information for the consolidation of certain State-level administrative funds, grantee and subrecipient ARP ESSER and ARP EANS program funds may not be obligated beyond this date. Please see the 6/12/24 [ARP Obligations and Extensions](#) communication for additional information about obligating funds, repurposing or reverting funds, amending a State plan, and requesting a liquidation extension.

**Consolidated Administrative Funds Tydings Waiver:** Information and resources regarding ARP ESSER and ARP EANS administrative funds Tydings waivers, including the [Tydings waiver letter](#); [4/29/24 Webinar presentation](#); [Recording with English captions](#); [Recording with Spanish captions](#); [English transcript](#); and [Spanish transcript](#) are available on the [ESSER Resources](#) and [EANS Resources](#) webpage.

**Reallocation of Unobligated ARP ESSER Funds:** States are reminded that they may not make new subawards or change any subaward amounts under any of the CARES, CRRSA, or ARP Act programs (except to correct allocation errors) after the obligation deadline has passed. However, if the SEA, in working with LEAs, determines that one or more LEAs do not need or do not intend to use all of their remaining ARP ESSER funds, the SEA may reallocate the unobligated ARP ESSER funds to the other LEAs (including charter school LEAs) in the State by **9/30/24**, in proportion to the amount of funds LEAs/charter school LEAs received under part A of title I of the ESEA of 1965 in fiscal year 2020. Questions may be sent through your State mailbox ([StateName].OESE@ed.gov). **Link:** [Reallocation of Unobligated ARP ESSER Funds](#)

**FFATA Subaward Reporting Requirements:** Grantees have been asked to verify the accuracy and completeness of FFATA subaward reporting for each ARP Act program by **11/15/24**. FFATA subaward reporting for CARES Act and CRRSA Act programs should have been verified for accuracy and completeness by **5/18/24**. If verification for CARES Act and CRRSA Act programs has not been completed, please contact your SGR program officer through your State mailbox ([StateName].OESE@ed.gov). **Link:** [FFATA Reporting Letter](#)

**ESSER Year 4 (FY23) Annual Performance Reporting (APR) Re-opens 9/9/24:** Grantees may make corrections and updates to their previously submitted ESSER Year 4 (FY23) APR data starting Monday, 9/9/24. The re-open period will close at 8pm ET on 9/26/24, after which all Year 4 (FY23) APR data will be considered final and the [ESF Data Collection Tool](#) will not be available for further corrections. In preparation for the re-open period, please review the Data Quality findings sent to your SEA on July 22, 2024.

Additionally, SEAs can log in to review or print their previously submitted data; however, the data collection will not be open for updates until Monday, 9/9/24. Technical assistance resources for the ESSER Year 4 (FY23) APR can be found on the [ESSER Grantee Help](#) page, under the Fiscal Year 2023 (Year 4) Annual Performance Reporting Resources accordion.
