

THE MILITARY CHILD EDUCATION COALITION (MCEC) is a 501(c)(3) non-profit, world-wide organization that identifies the challenges facing the highly mobile Military Child, increases awareness of these challenges in military and educational communities, and initiates and implements programs to meet the challenges. The MCEC focuses on all military installations, their supporting schools, concerned organizations, and caring individuals. For more information, please visit www.MilitaryChild.org.

THE U.S. DEPARTMENT OF EDUCATION'S STUDENT ART EXHIBIT PROGRAM, now in its eighth year under the direction of the Office of Communications and Outreach and the Office of Innovation and Improvement, features visual art created by students in U.S. and international schools, and provides students and teachers the opportunity to display creative work from the classroom in a highly public space in order to honor this work as an effective path to learning and knowledge for all. The works also provide Department employees and visitors with both a beautiful environment and the means to be in touch with the Department's principal customers — students.

The program features two exhibits at all times throughout the year: The winners of the Scholastic Art & Writing Awards are exhibited for a year beginning every August; and another exhibit, rotated every two to three months, accommodates the many educators who want to exhibit their students' work. Exhibits are currently booked through mid 2013. To schedule a visit to the exhibits and to learn more about the exhibiting opportunity contact Jacquelyn Zimmermann at jacquelyn.zimmermann@ed.gov or at (202) 401-0762.
