

Greetings, Grantees:

On Wednesday, October 26, 2022, the Office of State and Grantee Relations (SGR) will host an Office Hours session related to the Liquidation Extension Request process for the Coronavirus Aid, Relief, and Economic Security (CARES) Act Governor's Emergency Education Relief (GEER) Fund, and Elementary and Secondary School Emergency Relief (ESSER) Fund. This Office Hours session will serve as a follow-up to the CARES ESSER and GEER Liquidation Extension Webinars held on 10/3/22 and 10/5/22. If grantees were not able to attend the introductory webinars, the recordings, presentation, and transcript are available as resources on the [ESSER](#) and [GEER](#) program websites.*

The Office Hours session on Wednesday, October 26, will address clarifications to the Liquidation Extension Request template and submission process. Time will also be provided for grantees to submit questions during the presentation. We hope you will join us from 1:00pm EDT to 2:00pm EDT. Please forward this invitation to the members of your team who will be most closely involved in preparing and submitting a liquidation extension request. In order to participate, please register using the link below or access the session with the dial-in information.
