November 22, 2022

The Honorable Eric G. Mackey
Superintendent of Education
Alabama Department of Education
50 North Ripley St.
P.O. Box 302101
Montgomery, AL 36104

Dear Superintendent Mackey:

I am writing to recognize Alabama's ongoing commitment to the maintenance of equity requirements under section 2004(b) of the American Rescue Plan Act of 2021 (ARP). Knowing the numerous, competing priorities facing States, State educational agencies, and local educational agencies, your early work to implement these new, critically important resource equity requirements is appreciated. We note that Alabama's action is a result of cooperative efforts involving Governor Ivey, appropriators in your State Legislature, and State educational agency leadership and staff.

ARP maintenance of equity requirements help ensure that State and local education funding supports students who experienced longstanding opportunity gaps before, and were disproportionately impacted by, the COVID-19 pandemic. In implementing these provisions through a mix of data quality efforts, engagement with Department-provided technical assistance, and maintenance of State education funding for the communities and students who need it most, Alabama is taking critical steps to accelerate academic recovery and close opportunity and achievement gaps.

My team looks forward to continuing our work with yours in implementing the second year of maintenance of equity requirements in fiscal year 2023. Thank you for your collaboration, and all you do for Alabama's students, educators, and families.

Sincerely,

James F. Lane, Ed. D.
