

UNITED STATES DEPARTMENT OF EDUCATION

November 22, 2022

The Honorable Mike Morath
Commissioner of Education
Texas Education Agency
1701 North Congress Ave.
Austin, TX 78701

Dear Commissioner Morath:

I am writing to recognize Texas's ongoing commitment to the maintenance of equity requirements under section 2004(b) of the American Rescue Plan Act of 2021 (ARP). Knowing the numerous, competing priorities facing States, State educational agencies, and local educational agencies, your early work to implement these new, critically important resource equity requirements is appreciated. We note that Texas's action is a result of cooperative efforts involving Governor Abbott, appropriators in your State Legislature, and State educational agency leadership and staff.

ARP maintenance of equity requirements help ensure that State and local education funding supports students who experienced longstanding opportunity gaps before, and were disproportionately impacted by, the COVID-19 pandemic. In implementing these provisions through a mix of data quality efforts, engagement with Department-provided technical assistance, and maintenance of State education funding for the communities and students who need it most, Texas is taking critical steps to accelerate academic recovery and close opportunity and achievement gaps.

My team looks forward to continuing our work with yours in implementing the second year of maintenance of equity requirements in fiscal year 2023. Thank you for your collaboration, and all you do for Texas's students, educators, and families.

Sincerely,

James F. Lane, Ed. D.
