Grantee Monthly Check-In Meetings

SGR Program Officers are holding monthly check-in meetings with grantees. The December check-in will focus on the GEER Fund, and will include the following discussion topics:

- Implementation progress regarding specific GEER program requirements
- Compliance regarding specific program and fiscal requirements
- Feedback on current GEER technical assistance needs

Your State's program officer will coordinate with you to schedule the check-in and share the agenda. We encourage grantees to invite key grant management staff members to the check-in meetings and submit additional agenda items to the State's SGR Program Officer. If you have questions, please send an email to your State mailbox at [State].oese@ed.gov (Example, Alabama.oese@ed.gov)
