

UNITED STATES DEPARTMENT OF EDUCATION

January 5, 2023

The Honorable Tom Horne
Superintendent of Public Instruction
Arizona Department of Education
1535 West Jefferson Street
Phoenix, AZ 85007-320

Dear Superintendent Horne:

I am writing to recognize Arizona's ongoing commitment to the maintenance of equity requirements under section 2004(b) of the American Rescue Plan Act of 2021 (ARP). Knowing the numerous, competing priorities facing States, State educational agencies, and local educational agencies, Arizona's early work to implement these new, critically important resource equity requirements is appreciated. We note that Arizona's action is a result of cooperative efforts involving your executive branch, appropriators in your State Legislature, and State educational agency leadership and staff.

ARP maintenance of equity requirements help ensure that State and local education funding supports students who experienced longstanding opportunity gaps before, and were disproportionately impacted by, the COVID-19 pandemic. In implementing these provisions through a mix of data quality efforts, engagement with Department-provided technical assistance, and maintenance of State education funding for the communities and students who need it most, Arizona is taking critical steps to accelerate academic recovery and close opportunity and achievement gaps.

My team looks forward to continuing our work with yours in implementing the second year of maintenance of equity requirements in fiscal year 2023. Thank you for your collaboration, and all you do for Arizona's students, educators, and families.

Sincerely,

James F. Lane, Ed. D.
