Greetings, grantees –

The Office of State and Grantee Relations (SGR) will be hosting a webinar to support States' efforts to meet Federal grant closeout requirements as described in [CFR Section 200.344](#).

During the webinar, we will share the timeline and process for CARES ESSER and CARES GEER grant closeout and review the Department's standard formula grant liquidation policy as it applies to one-time requests to liquidate COVID-19 relief CARES Act funds after January 30, 2023 (Note: This liquidation policy applies to requests to liquidate funds for activities completed by January 30, 2023, in advance of closing out those grants. This is not a review of the excepted request process to extend the period of liquidation for CARES Act funds for up to an additional 14 months that the Department announced in September of 2022).

Two sessions of this webinar will be presented:

- Tuesday, March 7, 2023, 11:00 AM - 12:00 PM EST
- Thursday, March 9, 2023, 2:00 PM - 3:00 PM EST

Advance registration is required, and the webinar will be recorded and posted on the SGR website.
