April 28, 2023

The Honorable Charlene M. Russell-Tucker
Commissioner of Education
Connecticut State Department of Education
450 Columbus Boulevard, Suite 606
Hartford, CT 06103-1841

Dear Commissioner Russell-Tucker,

I am writing to recognize Connecticut's ongoing commitment to the maintenance of equity requirements under section 2004(b) of the American Rescue Plan Act of 2021 (ARP). Knowing the numerous, competing priorities facing States, State educational agencies, and local educational agencies, Connecticut's early work to implement these new, critically important resource equity requirements is appreciated. We note that Connecticut's action is a result of cooperative efforts involving Governor Lamont, appropriators in your General Assembly, and State educational agency leadership and staff.

ARP maintenance of equity requirements help ensure that State and local education funding supports students who experienced longstanding opportunity gaps before, and were disproportionately impacted by, the COVID-19 pandemic. In implementing these provisions through a mix of data quality efforts, engagement with Department-provided technical assistance, and maintenance of State education funding for the communities and students who need it most, Connecticut is taking critical steps to accelerate academic recovery and close opportunity and achievement gaps.

My team looks forward to continuing our work with yours in implementing the second year of maintenance of equity requirements in fiscal year 2023. Thank you for your collaboration, and all you do for Connecticut's students, educators, and families.

Sincerely,

James F. Lane, Ed. D.
