

UNITED STATES DEPARTMENT OF EDUCATION

October 25, 2023

The Honorable Charlene Williams
Director
Oregon Department of Education
255 Capitol Street NE
Salem, OR 97310-0203

Dear Director Williams,

I am writing to recognize Oregon's ongoing commitment to the maintenance of equity requirements under section 2004(b) of the American Rescue Plan Act of 2021 (ARP). Knowing the numerous, competing priorities facing States, State educational agencies, and local educational agencies, Oregon's work to implement these new, critically important resource equity requirements is appreciated. We note that Oregon's action is a result of cooperative efforts involving Governor Kotek, appropriators in your State legislature, and State educational agency leadership and staff.

ARP maintenance of equity requirements help ensure that State and local education funding supports students who experienced longstanding opportunity gaps before, and were disproportionately impacted by, the COVID-19 pandemic. In implementing these provisions through a mix of data quality efforts, engagement with Department-provided technical assistance, and maintenance of State education funding for the communities and students who need it most, Oregon is taking critical steps to accelerate academic recovery and close opportunity and achievement gaps.

My team looks forward to continuing our work with yours in implementation of maintenance of equity requirements. Thank you for your collaboration and all you do for Oregon's students, educators, and families.

Sincerely,

Adam Schott
