I. POLICIES AND PROCEDURES

A. District Grievance Procedures

1. The district will review, revise, and adopt, as necessary, its grievance procedures (revised grievance procedures) addressing sex-based discrimination (including sexual harassment). The revised grievance procedures will provide for the prompt and equitable resolution of sexual harassment complaints. If the district opts to adopt more than one policy addressing sex-based discrimination, the district will ensure that each such policy is internally consistent and consistent with all other policies available to a grievant. The revised grievance procedures will be written in language that is easily understood, be easily located, and be widely distributed. The revised grievance procedures will include: (a) notice to students, parents of elementary and secondary students, and employees of the grievance procedures, including where complaints may be filed; (b) application of the grievance procedures to complaints alleging harassment carried out by employees, students, or third parties; (c) adequate, reliable, and impartial investigation of complaints, including the opportunity to present witnesses and other evidence; (d) designated and reasonably prompt timeframes for major stages of the complaint process; (e) notice to parties of the outcome of the complaint; (f) an assurance that the district will take steps to prevent recurrence of sexual harassment and to remedy its discriminatory effects, as appropriate; and (g) a statement that in assessing the need for a party to receive interim measures, a school may not rely on fixed rules or operating assumptions that favor one party over another, nor may a school make such measures available only to one party. The district will ensure that, if the Winterberry Charter School (WCS) or any other district charter school has its own grievance

procedures, the charter school will follow the district's revised grievance procedures.

2. Reporting Provisions:

- a) By October 1, 2018, the district will submit to OCR, for its review and approval, a copy of its revised grievance procedures developed in accordance with Section I.A.1. If OCR requires any changes to the revised grievance procedures, the district will re-submit the revised grievance procedures within 30 calendar days of receiving notice of the required revisions from OCR. The district and OCR will continue this process until OCR approves the revised grievance procedures.
- b) Within 60 calendar days of written notification from OCR of its approval of the revised grievance procedures, the district will provide documentation demonstrating that it has: (1) adopted the revised grievance procedures; (2) provided notification to students, parents, and employees of the revised grievance procedures; and (3) developed a plan to post the revised grievance procedures in district publications and on the district website. Inserts may be used pending reprinting of publications.

The district will review, revise, and adopt, as needed, its Section 504 policies, procedures, and practices (revised 504 procedures) to ensure that a qualified student with a disability who receives services under the Individuals with Disabilities in Education Act (IDEA) or Section 504 services and who is the target of bullying and/or harassment continues to receive a free and appropriate public education. The revised 504 procedures should state that as part of a school's appropriate response to bullying on any basis, the school should convene the student's Individualized Education Plan (IEP) or 504 team to determine whether, as a result of the effects of the bullying, the student's needs have changed such that the IEP or 504 plan is no longer designed to provide a meaningful educational benefit.
2. Reporting Provisions:
 - a) By October 1, 2018, the district will submit to OCR, for its review

and approval, a copy of its revised 504 procedures developed in accordance with Section I.B.1. The district and OCR will continue this process until OCR approves the revised 504 procedures.

- b) Within 60 calendar days of written notification from OCR of its approval of the revised 504 procedures, the district will provide documentation demonstrating that it has: (1) adopted the revised 504 procedures; (2) provided notification to students, parents, and employees of the revised 504 procedures; and (3) developed a plan to post the updated revised 504 procedures in district publications and on the district website.
