- ✓ Who can apply for eligibility?
- ✓ Why should an institution apply for eligibility?
- ✓ Who should apply for eligibility?
- ✓ How are eligibility decisions made?
- ✓ What is the Eligibility Matrix?
- ✓ How does eligibility affect non-federal cost-share?
- ✓ How do I determine if I am eligible?
- ✓ How do I submit an application and/or exemption request?
- ✓ Questions?

What is eligibility?

- ✓ This process identifies an institution of higher education (IHE) as:
 - Eligible to apply for funding under Titles III and V of the Higher Education Act of 1965, as amended by the Higher Education Opportunity Act of 2008 (HEA).
 - Eligible for certain non-Federal cost-share waivers.
- ✓ Eligibility does not designate nor certify any institution as a particular type of institution such as an MSI or HSI.

How are Institutions deemed eligible?

- ✓ There are three ways to be deemed eligible.
 1. Pre-Eligibility (based on Department's review of 2021-22 IPEDS data)
 - A. Check your status at [HTTPS://HEPIS.ed.gov/](https://HEPIS.ed.gov/).
 - B. Deemed eligible?
 1. Download letter of eligibility.
 - C. Not deemed eligible?
 1. Proceed to the application.

How are Institutions deemed eligible?

✓ There are three ways to be deemed eligible.

2. Apply per NIA Instructions at

[HTTPS://HEPIS.ed.gov/](https://HEPIS.ed.gov/).

A. Enter the required data, and submit.

B. Deemed eligible?

1. Download letter of eligibility.

C. Not deemed eligible?

1. Proceed to exemption request.

How are Institutions deemed eligible?

- ✓ There are three ways to be deemed eligible.

- 3. Exemption Request
 - A. Select the waiver request(s) required for the institution.
 - 1. Enter the narrative, attach supporting documentation, and submit.
 - 2. Department staff will review the submission and notify the institution in mid-March.
 - B. Deemed eligible?
 - 1. Download letter of eligibility.
 - C. Not deemed eligible?
 - 1. Download ineligibility letter, which will provide a full explanation as to why your campus was denied.

Who can apply for designation of eligibility?

A public or private non-profit IHE that:

- ✓ Is accredited by a nationally-recognized accrediting agency or association;
- ✓ Awards at least a two-year degree; and
- ✓ Provided required data into the Integrated Postsecondary Education Data System (IPEDS) database for the academic year immediately preceding the most recent complete academic year (base year); or
- ✓ Is a branch campus that meets the above requirements.

What is a branch campus?

An accredited (branch) campus that:

- ✓ Is geographically apart from, and independent of, the main campus;
- ✓ Is permanent in nature;
- ✓ Offers courses for credit and programs leading to an associate's or bachelor's degree;
- ✓ Has its own faculty and administrative or supervisory organization; and
- ✓ Has its own budgetary and hiring authority.

Eligibility considerations for certain types of institutions

- For-profit institutions are not eligible to receive grants from OPE and are therefore not included in the eligibility process—including the Eligibility Matrix.
- Institutions with only religious-vocational programs are not eligible to receive grants from OPE. However, these institutions are included in the process and the eligibility matrix since they may (and, with some frequency, do) establish non-vocational program offerings.
 - The Department periodically reviews institutions noted as religious-vocational in the eligibility matrix and provides a means by which institutions may notify the Department of their change in status.

Why should an institution apply for designation of eligibility?

- ✓ An institution must be deemed an eligible IHE to be considered for funding under the Titles III and V programs.
 - You MUST apply for eligibility even if you have a current Titles III, V, or VII grant.
- ✓ An IHE that submits an application, and is designated as an eligible institution, will receive a waiver of certain non-Federal cost-share requirements for one year or for the duration of their Titles III or V grant, if awarded, under the Federal Supplemental Educational Opportunity Grants (FSEOG) and the Federal Work Study program (FWS).
 - Qualified institutions will receive FWS and FSEOG waivers for one year even if they do not receive a grant under the Titles III or V Programs.

Who should apply for designation of eligibility?

- ✓ IHEs that meet the previous requirements and are not designated as eligible; and
- ✓ IHEs planning to apply for a grant under the SIP, HSI, PPOHA, ANNH, NASNTI, AANAPISI, or PBI Programs; and/or
- ✓ IHEs requesting a waiver of the non-Federal cost share requirements.

What two variables determine eligibility?

✓ **Core Expenses per FTE:**

- Core Expenses are regular operational expenditures of postsecondary institutions (excluding auxiliary enterprises, independent operations, and hospital expenses). These are then divided by the FTE (12-month undergraduate enrollment for the academic year). This measure is then compared to the average value for other similar (type and control) institutions. The Core Expenses per FTE measure must be lower than the average for the institutional group.

✓ **Needy Students:**

- At least 50 percent of an institution's degree-seeking students received financial assistance under: the Federal Pell Grant, Federal SEOG, or the Federal Work Study programs. Or, the percentage of an institution's undergraduate degree-seeking students who were enrolled at least half-time and received Federal Pell Grants exceeds the average percentage of the same at similar (type and control) institutions.

What statutory requirements determine eligibility for Titles III and V programs?

✓ **Grant Specific Requirements**

- AANAPISI – Asian and Pacific Islander UG enrollment equal to or greater than 10%.
- ANNH – Alaska Native UG enrollment equal to or greater than 20% and Native Hawaiian UG enrollment equal to or greater than 10%.
- NASNTI - Native American UG enrollment equal to or greater than 10%.
- HSI, HSI Stem and PPOHA – Hispanic FT UG enrollment equal to or greater than 25%.
- MSEIP – Total minority enrollment (except Asian) equal to or greater than 50%.
- PBI and PBI-MA – Black enrollment equal to or greater than 40%, at least 1,000 undergraduate students, and meets the additional requirements list in the PBI statute.

Eligibility Matrix (EM)

- ✓ The computation of eligibility is conducted annually at the time that IPEDS data is provisionally released for the academic year immediately preceding the most recent complete academic year.
- ✓ Provisional release data occur generally in the fall of the year so it is anticipated that the EM computation and release will occur around January/February of each year.
- ✓ These data generate a provisional EM.

Eligibility Matrix (EM)

- ✓ The criteria derived from applicable legislation and regulations were applied to enrollment and financial data from IPEDS and FSA files to determine eligibility for each institutional program.
- ✓ The process resulted in the following six categories:
 - ❑ Code 1: Institution is ineligible – doesn't meet minority student enrollment requirements for the program.

Eligibility Matrix (EM)

- ❑ Code 2: Institution is ineligible – there are no program participants in a key category (e.g. graduate students for HBCU-MD, PPOHA, PBI-MA), the institution has no Pell grant recipients or needy students, has only religious vocational programs, or is not a legislatively-designated institution (i.e. not an HBCU or TCCU).

Eligibility Matrix (EM)

- ❑ Code 3: Institution is ineligible – they have a current grant for another IS program, and therefore by law may not simultaneously have two types of these grants.
- ❑ Code 4: Institution is potentially eligible on minority grounds but would need to apply for eligibility or request an exemption of Pell and/or ‘needy student’ criteria.
- ❑ Code 5: Institution is potentially eligible to apply for a grant for this program.
- ❑ Code 6: Institution is a current grantee of this program.
- ❑ Code 0: Branch Campus; IPEDS data not available.

Non-Federal Cost-Share Waivers

- ✓ Cost-Share waivers for the Federal Work-Study program and the Federal Supplemental Education Opportunity Grants are administered through Federal Student Aid.
- ✓ Questions pertaining to these cost-share waivers must be directed to the Campus-Based Call Center:
 - 1-800-848-0978
 - CODSupport@ed.gov

Non-Federal Cost-Share Waivers

- ✓ If the institution receives a grant from the UISFL or SSS program, it may receive a waiver or reduction of the required non-Federal share for institutions for the duration of the grant.
- ✓ Questions pertaining to the UISFL cost-share waiver should be directed to:
 - Ms. Jessica Lugg
 - Email: Jessica.Lugg@ed.gov
- ✓ Questions pertaining to the SSS cost-share waiver should be directed to:
 - Mr. James Davis
 - Email: James.Davis@ed.gov

Check eligibility

- ✓ Visit <HTTPS://HEPIS.ed.gov>,
- ✓ Login to the system following the instruction located below the “Login” button.
 - You will follow the prompts to login via Login.Gov. Please note, you may already have an account that is connected to the HEPIS system. Follow the information in the Login Instructions.
- ✓ Check your eligibility by clicking on “View pre-Eligibility Information,” button.
- ✓ If your institution meets the “needy student” and “core expenses” requirements, you will be able to print your letter by clicking the “View/Print Your Eligibility Letter” button.
- ✓ If your institution does not meet the requirements, you will be able to enter an application and /or apply for an exemption.

The screenshot shows the HEP IS (Higher Education Programs: Institutional Service) web application. At the top, there is a dark blue header with the text "HEP IS" and "Higher Education Programs: Institutional Service". Below this is a navigation bar with links for "HEP IS Home", "About", "Help", "FAQs", "Contact Us", "Account", and "Logout". A grey box below the navigation bar displays a welcome message: "Welcome test@statecollege.edu". The main content area is titled "GEA - Grant Eligibility Application" and contains the text "Your Institutions in the GEA system:". Below this text is a table with three columns: "OPEID", "Institution Name", and "Enter System". The table contains one row with the following data: OPEID "0000000", Institution Name "Community State College University", and two buttons labeled "LETTER" and "GO".

 Eligible: No

[Begin Application](#)

- Click the **BEGIN APPLICATION** button to apply for eligibility.

Submitting the application

✓ Applications for eligibility should be completed and submitted electronically at:

[HTTPS://HEPIS.ed.gov/](https://HEPIS.ed.gov/)

✓ Note: The notice inviting applications (NIA), as published in the Federal Register on January 22, 2024 contains instructions for applicants unable to submit their application electronically.

Before you get started

- ✓ Read the entire application package available by visiting <HTTPS://HEPIS.ed.gov/> and clicking on the “Help” link at the top of the page.
- ✓ Have the following information:
 - ✓ Institution/campus OPEID number
 - ✓ Total institutional enrollment for fall 2021
 - ✓ Minority enrollment for fall 2021
 - ✓ Number of Pell recipients for fall 2021
 - ✓ Number of students enrolled at least half-time in a degree program for fall 2021
 - ✓ Total Core Expenses for 2021-2022

Total institutional enrollment

- ✓ Institution's 2021 fall semester head count of enrolled undergraduate and graduate students.
- ✓ For the Needy Student Requirement:
 - Do not include international students who are ineligible to participate in Title IV need-based financial assistance programs.
 - Do not include high school students who are enrolled in dual enrollment and who are ineligible to participate in Title IV need-based financial assistance programs.
- ✓ For the Core Expenses/FTE Requirement:
 - Include all students.

Need-based financial assistance

Title IV need-based financial assistance:

Determine the institution's total **2021** fall semester, unduplicated, student head count of degree-seeking students who received any of the following Title IV need-based assistance:

- Federal Pell Grant;
- Federal Work Study; or
- Federal Supplemental Educational Opportunity Grant.

Need-based financial assistance

- ✓ To compute the unduplicated student head count, count, only once, each student who received Title IV need-based assistance, regardless of the number of need-based programs in which the student participated.

Half-time enrollment

Enrollment of half-time, up to and including, full-time undergraduate students:

- ✓ Determine the institution's total **2021** fall semester undergraduate head count of students who were enrolled at least half time in degree programs at your institution.
 - Do not include international students who are not eligible for Title IV need-based financial assistance.
 - Do not include high school students enrolled in dual enrollment who are not eligible for Title IV need-based financial assistance.

Core expenses

- ✓ Since 2004, the National Center for Education Statistics (NCES) has calculated Core Expenses per FTE for Postsecondary Institutions.*
- ✓ The Department determined that the Core Expenses measure is statistically similar to the former E&G per FTE.

*Note: Please review the definition for Core Expenses that is located in the application booklet.

Core expenses

- ✓ Institutions applying for eligibility must use the Core Expenses reported to IPEDS for academic year 2021-2022.

Core expenses

- ✓ Determine the Institution's Core Expenses for 2021-22.
 - Do not include federal student financial aid. If it is included, you may deduct it from your Core Expenses.
- ✓ Average Core Expenses per FTE student.
 - The system will do this calculation for you.

2021-2022 Average Pell Grant and Core Expenses per FTE Student

Type of Institution	2021-2022 Average Pell Grant Percentage*	2021-2022 Core Expenses per FTE Student
Two-year, Public	44	\$19,274
Two-year, Non-profit, Private	52	\$17,273
Four-year, Public	37	\$37,667
Four-Year, Non-profit, Private	36	\$46,779

*For FY 2024, the IPEDS data that were collected in 2021-22 allowed institutions to report degree/certificate-seeking students receiving Pell Grants. This variable is now used for eligibility thresholds. Institutions may include all students who receive Pell (except nondegree-seeking students).

Needy student requirement

Your institution meets the needy student requirement if:

✓ At least 50% of your **2021** fall, unduplicated student head count of undergraduate and graduate students received financial assistance under one or more of the following programs:

- Federal Pell Grant;
- Federal Work-Study; or
- Federal Supplemental Educational Opportunity Grant programs (Part III, 1.B)

OR

Needy student requirement

✓ The percentage of your 2021 fall semester, undergraduate, degree-seeking students who were enrolled on at least a half-time basis, and received Federal Pell Grants, exceeded the average percentage of undergraduate degree students who were enrolled on at least a half-time basis, and received Federal Pell Grants, at comparable institutions that offered similar instruction. (Part III, 1.D)

- Applications are reviewed *automatically*.
- Results will be displayed onscreen immediately after submission.

Ineligible

- ✓ If deemed “ineligible” based on system calculations, institutions may choose to submit for an exemption (request a waiver).
- ✓ In the case of the application and system, we will refer to the waivers as exemptions in order to alleviate confusion about the Federal Cost-Share Waiver and the “waivers” for eligibility. Please note that officially these are still waiver requests.

Exemptions

- ✓ Institutions that are unable to meet the needy student enrollment requirement, or the average Core Expenses requirement, may apply for an exemption*,
 - ✓ The applicant MUST address the exemption in its entirety and include all the required documentation, evidence, and data pertaining to the exemption as instructed in the application.
- * See application booklet for exemption instructions and required information.

Exemption options

- ✓ There are six (6) exemption options for the Needy Student enrollment requirement.
- ✓ There are five (5) exemption options for the average Core Expenses per FTE requirement.
- ✓ An institution may choose to respond to one or more exemption options.
- ✓ Exemption options are detailed in the application booklet.
- ✓ Exemptions are unique situations for each applicant. Every campus has special circumstances to consider when submitting.

Exemption request

Exemption

Prepare a separate narrative for each exemption option you select below that provides the required evidence for that option, and demonstrates that the exemption(s) applies to your particular institution.

The narrative must contain compelling evidence. Mere statements of fact may not be enough to support your request. You may also upload supporting documents for each option.

You must respond to all components of the exemption option and provide supporting documentation (relevant studies, recent reports and/or data, etc.) to justify your request for an exemption.

Check here to confirm that you have read and understand the statements above.

Step 1: Needy Student Requirement

Section 1

Select each box that applies and upload your supporting documents.

A. At least 50% of degree students are recipients of need-based Title IV financial support.

B. Enrollment exceeds the threshold for percentage of student receiving Pell grants for the fall 2017-2018 academic term.

C. Requesting a exemption of the needy student requirement (Section 607.3(b) and Section 603.3(b) option(s)):

1. The State provides more than 30 percent of the institution's budget and the institution charges not more than \$99.00 for tuition and fees for an academic year.

2. At least 30 percent of the students served by the institution in the base year were students from low-income families.

- Select an Exemption option(s) for Needy Students, Core Expenses, or both.
- Provide the necessary information and submit your request.
- Requests are reviewed *manually* after the system officially closes.
