

UNITED STATES DEPARTMENT OF EDUCATION
OFFICE OF VOCATIONAL AND ADULT EDUCATION

THE ASSISTANT SECRETARY

FEB 3 2012

PROGRAM MEMORANDUM –FY 2012–03

TO: State Directors of Adult Education
FROM: Brenda Dann-Messier 
RE: Estimated Adult Education State Award Allocations for
Fiscal Year (FY) 2012

Attached are the estimated amounts each State will be awarded for FY 2012 under the Adult Education and Family Literacy Act (AEFLA), Title II of the Workforce Investment Act. These funds will become available July 1, 2012.

The second column of the attached table shows the estimated award amounts for the AEFLA State grant program. Section 211(a) of AEFLA requires 1.72 percent of the total FY 2012 appropriation to be reserved for incentive grants for qualifying States. Additional funds are reserved by section 211(e) of AEFLA for a competition for Outlying Areas. The remaining funds are distributed to States using the formula described in section 211.

Please note that the FY 2012 funds include a .189% across-the-board rescission, based on the Consolidated Appropriations Act of 2012.¹ The Consolidated Appropriations Act also requires that an amount be made available for integrated English literacy and civics (EL/Civics) education services to immigrants and other limited English proficient populations; this amount is also affected by the rescission. As in past years for EL/Civics, the FY 2012 appropriations statute allocates 65 percent of EL/Civics funds to States based on a State's absolute need. This is determined by calculating each State's share of a 10-year average of the United States Citizenship and Immigration Services data for immigrants admitted for legal permanent residence for the 10 most recent years. The appropriation statute also allocates 35 percent to States that experienced growth as measured by the average of the three most recent years for which the United States Citizenship and Immigration Services data for immigrants admitted for legal permanent residence are available. Every State is allocated a minimum of \$60,000 for EL/Civics. The most recent year for which legal immigration data are available is 2010.

For State-specific information about the attached estimates, please contact your Area Coordinator in the Division of Adult Education and Literacy.
