I agree to pay reasonable duplication fees for the processing of this request in an amount not to exceed \$100. However, please notify me prior to your incurring any expenses in excess of that amount. As a representative of the news media I am only required to pay for the direct cost of duplication after the first 100 pages. Through this request, I am gathering information on how Michigan's universities handle sexual assaults that is of current interest to the public because of ongoing conversation in the state over the issue, including Michigan First Lady Sue Snyder making the topic her primary focus during her husband's time in office. This information is being sought on behalf of Detroit Free Press for dissemination to the general public. Please waive any applicable fees. Release of the information is in the public interest because it will contribute significantly to public understanding of government operations and activities. This will show the public how a public university handles this issue. If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. I will also expect you to release all segregable portions of otherwise exempt material. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees. I would appreciate your communicating with me by email (djesse@freepress.com) or telephone (313-222-8851), rather than by mail. Please provide expedited processing of this request which concerns a matter of urgency. As a Reporter, I am primarily engaged in disseminating information. The public has an urgent need for information about sexual assault investigations because the topic is currently under discussion at the state and federal level and citizens need information in order to be informed voices in the policy debates. I certify that my statements concerning the need for expedited processing are true and correct to the best of my knowledge and belief. I look forward to your determination regarding my request for expedited processing within 10 calendar days, as the statute requires. Thank you for your assistance.
