To Whom It May Concern:

As a resident of Teaneck, New Jersey, I am writing to report what I believe to be a serious violation of Title VI of the Civil Rights Act of 1964, in connection with a pro-Palestinian, antisemitic walk-out by students at Teaneck High School on November 29, 2023. This walkout was sanctioned by the Teaneck school superintendent, Dr. Andre Spencer and the Teaneck Board of Education, and took place on school property during school hours. It was billed by the organizers as a rally against genocide, and participants were advised to wear masks. During the walkout, the students chanted, " From the river to the sea, Palestine will be free," on the school football field during the school hours. The rally, the events leading up to it, and its aftermath have engendered fear on the part of the Jewish community in Teaneck, Jewish students and teachers are afraid to go to class, and have been subjected to antisemitic comments and insults. The broader Jewish community in Teaneck is also fearful, and there is a palpable feeling of antisemitism within the community.

Most recently, on December 14 a meeting was held at the Teaneck Board of Education, during which attendees were entitled to up to three minutes to make comments. Numerous Teaneck residents stood on line and participated by Zoom, waiting to have their say. However, at one point (b)(6); (b)(7)(A); (b)(7)(C) Rick Whilby, went to the microphone and began making inciteful blatantly antisemitic remarks laced with profanities (Jews as descendants of Satan, Christ killers, etc.) No real efforts were made to stop him, even though he was transgressing the rules. When he finally left, the board terminated the meeting, leaving dozens of residents who had waited for hours, without an opportunity to speak. When (b)(6); (b)(7)(A); (b)(7)(C) (b)(6); (b)(7)(A); (b)(7)(C) (b)(6); (b)(7)(A); (b)(7)(C) This is all video taped.

It is my understanding that Teaneck High School receives federal funding, and is therefore subject to

Title VI. I know that the Department of Education has recently been vigilant in investigation various colleges, universities and school systems for violation of Title VI, and I thank you for this efforts. I urge you to add the events at Teaneck High School to your investigations.

Thank you.

Sincerely,

Re: Case No. 02-24-1162 – Teaneck Public Schools

Dear Superintendent Spencer:

On December 26, 2023, the U.S. Department of Education (the Department), Office for Civil Rights (OCR), received a complaint filed against Teaneck Public Schools (the District). The Complainant alleged that the District discriminated on the basis of national origin (shared Jewish ancestry) by failing to respond to incidents of harassment of students and teachers by students and third parties in the District during November and December 2023.

OCR enforces Title VI of the Civil Rights Act of 1964 (Title VI), as amended, 42 U.S.C. §§ 2000d et seq., and its implementing regulations at 34 C.F.R. Part 100, which prohibit discrimination on the basis of race, color, and national origin (including shared ancestry) in programs and activities receiving federal financial assistance from the Department. As a recipient of federal financial assistance from the Department, the District is subject to Title VI and its implementing regulations.

OCR will investigate the following issue: whether the District responded to alleged harassment of students and teachers based on national origin (shared Jewish ancestry) in a manner consistent with the requirements of Title VI.

Please note that opening a complaint for investigation does not mean that OCR has made a determination about its merits. During the investigation, OCR is a neutral fact-finder, collecting and analyzing the evidence it needs to make a decision. OCR will ensure that its investigation is legally sufficient and addresses the complaint as required by OCR's [Case Processing Manual](#) (CPM) (July 18, 2022).

Please open this link for additional information about [OCR's Complaint Processing Procedures](#). Individuals who file complaints with OCR may have the right to file a private suit in federal court whether or not OCR finds a violation.

OCR intends to conduct a prompt investigation of this complaint. To reach an efficient and timely resolution of this matter, OCR is providing an opportunity for the District to present its response to the complaint and to submit supporting documentation. Within 20 days of the date of

this letter, please provide to OCR the information listed in the attached data request. The regulation implementing Title VI, at 34 C.F.R. § 100.6(b) and (c), requires that a recipient of federal financial assistance make available to OCR information that may be necessary for it to determine whether a recipient is in compliance with the regulations it enforces. Pursuant to 34 C.F.R. § 100.6(c) and 34 C.F.R. § 99.31(a)(3)(iii), of the regulation implementing the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g, OCR may review personally identifiable records without regard to considerations of privacy or confidentiality. OCR will take all proper precautions to protect the identity of any individuals named in the documents.

Complaints may be resolved in a variety of ways, including through mediation pursuant to Section 201(b) of OCR's CPM. Under 201(b) mediation, if both parties are interested and if OCR determines that the individual allegations are appropriate for mediation, the parties may voluntarily resolve these complaint allegations through mediation that OCR will facilitate. Note that in such a case OCR does not monitor or enforce the agreement reached between the parties. Please inform OCR if you are interested in resolving this complaint through mediation.

OCR may close this complaint prior to making formal findings of compliance or non-compliance provided that the circumstances or information gathered establishes an administrative or other basis for resolution in accordance with the CPM. For example, when appropriate, a complaint may be resolved before the conclusion of an investigation after the recipient expresses an interest to OCR to resolve the complaint. In such cases, OCR obtains a resolution agreement signed by the recipient. This agreement must be aligned with the complaint allegations or the information obtained during the investigation, and it must be consistent with applicable regulations.

Please be advised that the District must not harass, coerce, intimidate, discriminate, or otherwise retaliate against an individual because that individual asserts a right or privilege under a law enforced by OCR or files a complaint, testifies, assists, or participates in a proceeding under a law enforced by OCR. If this happens, the individual may file a retaliation complaint against the District with OCR.

Under the Freedom of Information Act (FOIA), it may be necessary to release this document and related correspondence and records upon request. If OCR receives such a request, it will seek to protect, to the extent provided by law, personally identifiable information that, if released, could reasonably be expected to constitute an unwarranted invasion of personal privacy.
