I would like to report a series of antisemitic occurrences at Eastern Washington University in Cheney, WA, (b)(6); (b)(7)(A); (b)(7)(C) and she attends the school. She says she feels unsafe on campus and is now careful to not (b)(6); (b)(7)(A); (b)(7)(C) She spoke to the Dean in November but nothing has changed.

Since 10/7/23 there have been frequent Pro-Palestinian marches. That would be fine since everyone should be free to express their opinions, but the marches are hateful. People regularly chant "From the River to the Sea" and "Jews are Committing Genocide". The Political Science Department has scheduled public talks that quickly get out of hand and are taken over by radicals who endorse Hamas and accuse Jews - not Israelis - of being baby killers and murderers.

Here is an example of a talk that will be held next week (2/26/24).

Re: Eastern Washington University, OCR Reference Number 10242113

Dear President McMahan:

The purpose of this letter is to notify you that the U.S. Department of Education, Office for Civil Rights (OCR) is opening for investigation the above-referenced complaint filed against Eastern Washington University. The Complainant alleges that the University discriminated against students on the basis of their national origin (shared Jewish ancestry) by failing to respond to incidents of harassment during the 2023-2024 academic year.

OCR enforces Title VI of the Civil Rights Act of 1964 (Title VI), 42 U.S.C. § 2000d, *et seq.*, and its implementing regulation, at 34 C.F.R. Part 100, which prohibit discrimination on the basis of race, color, and national origin, including shared ancestry, in any program or activity receiving federal financial assistance from the Department. As the University receives federal financial assistance from this Department, it is required to comply with Title VI.

OCR is opening for investigation the following issue:

Whether the University failed to respond to alleged harassment of students based on national origin in a manner consistent with the requirements of Title VI.

Please note that opening the complaint for investigation in no way implies that OCR has made a determination on the merits of the complaint. During the investigation, OCR is a neutral fact-finder, collecting and analyzing relevant evidence from the Complainant, the University, and other sources, as appropriate. OCR will ensure its investigation is legally sufficient and fully responds to the allegation in accordance with the provisions of the Case Processing Manual (<http://www.ed.gov/ocr/docs/ocrspm.pdf>) (CPM).

Please note the section on resolution of a complaint prior to the conclusion of an investigation. If the University expresses an interest in resolving the complaint and OCR determines that resolution of the complaint prior to the completion of the investigation is appropriate, OCR may attempt to negotiate an agreement with the University pursuant to CPM Section 302.

The Department of Education's mission is to promote student achievement and preparation for global competitiveness by fostering educational excellence and ensuring equal access.

As part of its investigation, OCR is requesting information from the University. The regulation implementing Title VI of the Civil Rights Act of 1964, at 34 C.F.R. § 100.6, requires that a recipient of federal financial assistance make available to OCR information that may be pertinent to reach a compliance determination.

In addition, in accordance with the regulation implementing the Family Educational Rights and Privacy Act (FERPA), 20 U.S.C. § 1232g, at 34 C.F.R. § 99.31(a)(3)(iii), and the Title VI regulation at 34 C.F.R. § 100.6(c), OCR may review personally identifiable records without regard to considerations of privacy or confidentiality. Please do **not** provide any Social Security numbers in your data response. If any responsive documents contain Social Security numbers, please redact the Social Security numbers before producing the responsive documents to OCR.

Preservation of requested and relevant data and documents: OCR may request supplemental data and documents that are relevant to the allegation(s) under investigation. To ensure that OCR can assess the recipient's compliance with the statutory and regulatory obligations at issue in this investigation, please ensure that recipient employees preserve the data and documents requested below for any timeframe specified in these requests and going forward until OCR closes this case. Please also ensure that recipient employees preserve other data and documents that are relevant to the allegation(s) under investigation until OCR closes this case.

Please submit the following information by **March 27, 2024**:
